## Field Trip Check List

- Field trip shirts are MANDATORY. No child will be allowed on a field trip without a field trip shirt prior to leaving the club
- Field trips are a privilege. Behavior issues and constant club disruption may result in your child not being able to go on field trips.
- For safety and staffing concerns, certain field trips will be limited in number. Refer to your field trip schedule for these trips to ensure your child has the best opportunity to attend them.
- Field trip return times are approximate. This may change due to reasons beyond our control such as traffic, weather, etc.
- For safety concerns, members will not be allowed to bring electronics or cell phones on field trips. If you need to contact your child please inform the Directors in Charge at the branch and they will contact the Field Trip Coordinators.
- No member will be allowed to leave a field trip early. If you have appointments or other engagements please do not sign your child up for that day.
- For swimming trips, members MUST bring a towel and a change of dry clothes to wear when returning to the club. Members who do not have BOTH of these will not be allowed on swim trips. Also, please make sure to include sunscreen.
